

Sacred Poetry, Sacred Feeling: Jewish Meditation and the Psalms

Day Long Meditation Retreat
SUNDAY, MARCH 20, 2022
with Zoketsu Norman Fischer
ON-LINE via ZOOM: 10 AM - 5 PM

The psalms are the centerpiece of Jewish liturgical practice. Passionate, sometimes joyful, sometimes desolate poems, they express the lyrical side of the Torah teachings. In this daylong event we'll practice sitting and walking meditation and consider the psalms as sacred texts expressing the range of feeling we all experience during the course of our spiritual life. There will be plenty of time for deep reflection and conversation. We'll use Norman's translation *Opening to You: Zen-inspired Translations of the Psalms*. We hope you'll be able to join us for this unforgettable experience!
